

VICPLAS

Vicplas Holdings
uPVC Sanitary Plumbing Systems

Innovative Piping Solutions

Vicplas Holdings is a Singapore Based manufacturing company specialized in uPVC piping systems. Founded in 1993, it is a wholly owned subsidiary of Vicplas International Ltd which is listed on the Singapore Stock Exchange.

To better serve our local and regional customers, Vicplas offers a comprehensive range of quality uPVC pipes and fittings. Our products are installed in various area which include Plumbing, Electrical and Telecommunication Systems. They are commonly used in residential homes, commercial/industrial buildings, hotels, schools, shopping malls etc.

Mission

Building shareholders value by delivering products in innovative and cost effective ways.

Vision

Creating a customer-centric company, focused in delivery quality products and committed to customer service excellence.

Core Values

Respectful
Accountable
Integrity
Self-Challenge

LEAD FREE

Vicplas Lead Free uPVC Pipes

*Vicplas is committed to a sustainable future by adopting green practices as we take on the responsibility by producing **lead-free** products to promote green consciousness for a cleaner and greener environment.*

Benefits of lead-free uPVC pipes

Environmental Friendly

Lead-free pipes are non-toxic and hygienic as it blocks off contamination in water and this is a value added long-term solution for residential homes as well as the building industry.

Chemical and Corrosion Resistance

uPVC pipes and fittings exhibit excellent resistance to corrosion. Unlike metallic pipes and pipe fittings, uPVC will not corrode if subjected to long term exposure to waste water.

Durable and Cost Effective

Enhanced with its durability in lifespan and low maintenance, the uPVC pipes are competitive in pricing as it is energy efficient and minimal installation costs are required.

Excellent Flow Properties and Weathering Resistance

Not only it has quality smooth internal wall, the uPVC pipes are also enhanced with UV and heat protection

Summary of standard specifications and its corresponding equivalence
